The rolling hills and white rocky outcrops of the Muchinga Escarpment serve as a divide between the drainage basins of the Zambezi River (Indian Ocean) and the Congo River (Atlantic Ocean). From the top of the falls, there are sweeping views over the Luangwa Valley, which is part of the Albertine Rift, the western branch of the East African Rift. The sound can be deafening, the aspect magnificent and the memory indelible. In autumn, the spray is so great it inhibits photography while in spring the seasonal flow considerably reduces leaving large slabs of brown basalt exposed on the lip.</p>

We are a South African company and reserve the right to charge/refund in ZAR. Please enquire with us or check with the relevant embassies in good time. Visas are also available through visa/booking agents.

**SCHEDULING TIMES, ROUTES & EXCURSIONS:** We wish to bring to your attention that Rovos Rail is solely reliant on the traction and railway services provided by the countries through which we travel. Our hands are regrettably tied when these services fail be they due to locomotives, signals, overhead power-cable damage and/or theft, vandalism, electricity outages, railway tracks or issues with drivers etc. Delays can occur due to our reliance on these national organisations. Rovos Rail is not responsible and cannot be held liable for any delays or changes in tour arrangements that may be caused by natural or other factors beyond our control. Rovos Rail reserves the right to cancel or amend our routing, any excursions and the tour departure dates provided we can offer clients alternative excursions or departure dates. **Rovos Rail cannot guarantee excursions or departure and arrival times.** Our obligation to transport guests from departure to arrival points on schedule will override any commitment to excursions although we will endeavour to carry out all of the off-train experiences. **We strongly caution against same-day air travel on departure/arrival days due to possible delays with flights or the train.** Should you be delayed, kindly contact +27 (0)12 315 8242.

**JOURNEYS & PRIVATE HIRE:** We offer a variety of journeys from 48 hours to 15 nights that cover the subcontinent of Africa. The trains run year-round although some of our short journeys do not run during our winter months. We prefer you enjoy the full journey experience although you are permitted to disembark earlier at a convenient stop – keeping in mind the rate will remain the same. The scheduled journeys are available for full charter. We also have a museum showing a historical collection of train paraphernalia. Please arrive two hours before departure.

**CHECK-IN:** Please check-in a minimum of **one hour** before departure. If Rovos Rail Station in Pretoria is your starting point, we suggest arriving **two hours** before departure if you wish to do a site tour. If Pretoria is your arrival point, we suggest delaying your pick-up so you can enjoy the site tour. Passports are required at check-in. No vouchers are required. **ELECTRICITY:** 220V AC 50Hz 3-point round-pronged wall plugs and 110V/220V 2-pin plugs for shavers and chargers. USB ports are in each suite. International adaptors available. A generator supplies power. Please be aware that certain breaks in power are necessary when servicing is required.

**GIFT SHOP/ADMINISTRATION:** There is a small gift shop on the train and at Rovos Rail Station in Pretoria. Due to the varying exchange rates, credit cards are preferred. The Administration Deputy on duty has a basic first aid kit and personal essentials (razors, sun cream etc.). He/she will also fulfil any administrative requirements and check your onward arrangements.

**GRATUITIES:** Gratuities for the staff are at your discretion. If you wish to show your appreciation in this manner, there will be a suitably marked envelope in your suite that you can hand directly to the Train Manager who will distribute any amounts on a pro-rata basis among the staff on board. An amount between ±ZAR450 (±US\$25) per guest per night on board is suggested, depending on the length of your journey. At the game lodges, it is customary to tip guides and lodge staff an estimated ±ZAR450 (±US\$25) per guest per day.

**LANGUAGES:** The staff on board mainly speak English and local languages. For most of the long journeys and dependent on the language, translated itineraries and on-board information will be provided for guests.

**LAUNDRY:** There is a LIMITED laundry service (10 items/day) on board comprising household washers, dryers and steam irons. The turnaround is 48 hours so we are unable to handle a week’s worth of laundry. There are no dry-cleaning facilities en route or on board. Please note that while this a complimentary service we cannot be held responsible for items that may be damaged or lost in the process.

**LOCOMOTION:** Use of steam has become increasingly difficult over the years as more and more water and coaling facilities have been scrapped. Diesel or electric locomotives are used while steam is used in and around the area of Rovos Rail Station in Pretoria only.

**LUGGAGE:** It is possible to store luggage in your suite under the bed or above the door on a luggage rack, which provides ample space for storage. There are no luggage restrictions on board although we do not recommend more than two large suitcases. On selected long journeys, guests are provided with a Rovos Rail tog bag that can be used for overnight trips or hand luggage on aircraft. A soft bag is preferable on plane transfers with a luggage weight restriction of 15kg.

**MAGAZINES, MAPS & GAMES:** There are board games, cards, a card table (dependent), books and magazines available for your use in the lounge and observation cars. In your suite is a map, itinerary and the *Journeys* magazine featuring articles of interest related to your route. If the map supplied is not comprehensive enough you may purchase a more detailed map from the Gift Shop.

**THE TRACK:** The track over which we travel is inconsistently maintained. If you wake at night imagining the train is travelling at high speed, be assured it is the state of the track below creating that impression. We restrict the train to 60km/h (37mph) and over bad sections reduce speed to as little as 20km/h (12mph). If you find it noisy, earplugs are available in your amenities bag and at the Gift Shop.

**WATER:** The water used on the train is carried in tanks under each coach. These tanks are filled every day but they cannot be topped up while the train is travelling. Please assist us by using water responsibly. Water inside the suites has been filtered and chlorinated; it is safe for bathing and brushing teeth only. Please use the bottled water provided for drinking. Our bottles are biodegradable and made from plants.
